- Inspect products for defects and damage
- Examine ingoing and outgoing shipments
- Organize warehouse space
- Receive, unload and place incoming inventory items appropriately
- Check, verify, and pick customer invoices
- Abide by all company safety and hygiene regulations
- Contribute ideas on ways to improve or optimize warehouse procedures
- Keep warehouse clean and organized daily
- Complete weekly physical counts of inventory
- Work with Service Team to ensure they are fully stocked with required materials
- Work with Retail Store to ensure all spas are maintained properly and ready for sale
- Keep Pool Yard presentable and clean
- Interact with customers and help them load materials of various sizes and weights into their vehicles
- Stay positive while under pressure from customers, heat, heavy lifting, etc.

Requirements

- Proven warehouse experience (one year or more)
- Ability to operate forklift, hand truck, pallet jack and other warehouse equipment (Certification will be granted after short training period)
- Team player with organizational skills and a positive attitude
- Ability to lift up to 75 lbs.
- Reliable transportation is a MUST
- Be comfortable working both alone and with others
- Be open to suggestions from the team
- Be flexible (we do things differently than most warehouses)
- Be authentic; just be yourself and you'll fit right in
- Competitive hourly rate will be offered and experience will be considered when determining pay rate.
